

Motorola – Activation Bonanza Scheme – February 2024 (Part 3)

We are pleased to share the Motorola Activation Bonanza Scheme through which a customer can get an additional amount off on the purchase of Select Motorola models. Should you agree to participate in the Motorola Activation Bonanza Scheme - February 2024 (Part 3), your customer would be able to avail of the support, details given below.

Duration : 16th FEB to 29th FEB 2024
Applicable Products : E13 4GB & 8GB, G14, G32 8GB, G54, G84, EDGE 30 FUSION

Scheme Construct: Activation Bonanza

1. An Activation Bonanza as mentioned will be paid on each new Moto Phone model activated during the program period.
2. The Activation Bonanza would be paid on the mentioned Models only. Other Moto Models not included are not eligible for this activation scheme.
3. Retailer agrees to pass on the activation bonanza benefit as applicable to the customer in full & the same needs to reflect in the final invoice to the customer.
4. The Offer benefit is payable net of GST / applicable taxes.
5. The Motorola DMS activation system will be considered as the final data source, to maintain transparency.
6. Any IMEI already reported as sold in Motorola Infield app before scheme period will not be eligible for pay out under this scheme.
